

C. Certification of foreign consignee

C.1. End-user (included consignee, if different end-user is not applicable)

(to be completed by the end-user, for traders, whole-or re-sellers see section C.2. below)

Art 9 (2) of Regulation EC 428/2009 states that the granting of an export license may be subject, if appropriate, to an obligation to provide an end-use statement.

We (I) certify that the items described in Section B supplied by the exporter named in Section A 1:

1. will only be used for the purposes described in Section B 3 and that the items or any replica thereof are intended for final use in the country named in Section A 4;
2. that the items or any replica thereof will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity;
3. that the items will not be used for any purpose connected with chemical or biological or nuclear weapons, or missiles capable of delivering such weapons;
4. that the items will only be used for civil end-uses (delete if not applicable)
5. as far as technology is concerned, we (I) certify that we (I) treat the technology strictly confidential and neither pass the technology on to other companies nor shall we (I) make knowledge available to third parties. In case of goods produced by the help of transferred technology, these goods will only be delivered to a third person/company on condition that this third person/company accepts the commitments of the above declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
6. We (I) further certify that we (I) will not re-export the items to third countries without the consent of the Government Office of the Capital City Budapest, Department of Trade, Defence Industry, Export Control and Precious Metal Assay. However, no approval is necessary for the re-export to the EU-countries or countries listed in Annex II of Regulation EC 428/2009.
7. We (I) further declare that the transaction does not fall under embargo on arms and related materials based on the joint position and common steps of the EU Council, or on the decision of the Organization for Security and Co-operation in Europe or on the obligatory decision of the United Nations Security Council.
